

RS-D9FA3.5 RS232 cable

The RS-D9FA3.5 cable is used for all RF-SUISSE product with a 3.5mm coaxial RS232 connection. The advantage is that the cable is easy to attach and not as heavy and big as the usual D-sub 9 connectors.

Cable length > 0.6m

Internal connections:

Tip = Pin 2

Ring = Pin 3

Case = Pin 5

Connected internally: pin 1+4+6, pin 7+8

RS232 cable
